**From:** HR Testing and Assessment

**Subject:** 2011 Promotional Examination Schedule (ESC)

The following information on the 2011 ESC promotional examinations is provided for the planning purposes of all stakeholders. Please note: Official test notices with enrollment instructions will not be released until approximately 6 weeks prior to the test date.

<u>Examination</u>	<u>Pre-Test Review</u>	<u>Examination Date</u>	<u>Post-Test Review</u>
Associate Distribution Engineer	By February 23	March 22	By May 27
All Mapping Classifications	By August 19	September 27	By December 2
Sr. Engineering Estimator – Gas Transmission	By February 23	March 22	By May 27
Sr. Field Engineering Technician	As needed	March 22 and September 27	May 27 and December 2
Sr. Land Technician - Engineering	By February 21	March 17	April 18
Sr. Land Technician - Land Management	By August 19	October 5	November 7
Lead Land Technician/Land Agent	By October 3	Oral Exams: Third week of October	N/A

The Pre and Post Test Review dates are established for the Company/Union committees to: 1) Validate the test prior to its issuance, and 2) Grade the exams. The pre/post test review dates are targets for members of the joint Test Review Committees and are not preparation opportunities for employees. Each test review committee will set actual meeting dates. The Land Services Department will administer the Land examinations. HR Testing and Assessment will send out pre-exam notices outlining eligibility requirements, the materials needed, and any recommended study materials for all other exams.

Sincerely,

Maria Padrones
