Home Health Occupational, Physical, and Speech Therapists Negotiations Update

Union Statement
September 5, 2018

Local 20 and Kaiser Permanente met for bargaining again on September 4th. In an off-line meeting the previous week the Spokespeople, assisted by FMCS, we reached Tentative Agreement on Return from Separation and Union Security. We continued deep conversations regarding Staffing/Workload.

As you know, Coalition Unions are pressing for bargaining for a new National Agreement to resume. Now it seems unlikely this will happen before the current agreement expires, so we have agreed to several additional bargaining dates for Home Health Therapists.

The next bargaining date is scheduled for September 28th. Additional dates have been added on October 10th, 17th, 25th, and 30th.
