Dear Mr. Sperry:

Due to an increase in Service Planning workload and the support for the Community Wildfire Rebuild team, the Company has a need for temporary staff.

The Company is utilizing the Hiring Hall request process to increase staffing in the affected areas. In recognition of the immediate need, the Company is proposing under Section 26.1 to relocate the following:

Mr. Bryan Case was initially dispatched as a Priority 4 – Hiring Hall Estimator – Electric in July 2018, headquartered in Santa Rosa. The Company is proposing to change his headquarters to Chico.

Mr. Dean Hegarty was initially dispatched as a Priority 3 – Hiring Hall Estimator – Electric in January 2018, headquartered in Napa. The Company is proposing to change his headquarters to Chico.

The above changes affect only their headquarters and do not constitute a change in priority status.

If you agree, please so indicate in the space provided below and return one executed copy of this letter to the Company.

Very truly yours,

PACIFIC GAS AND ELECTRIC COMPANY
