Dear Mr. Sperry:

Due to an increase in Service Planning workload and stabilization of the recent re-organization of Service Planning, the Company has a need for temporary staff.

While the Company is utilizing the Hiring Hall request process to increase staffing in the affected areas, the Company will also look to transfer current Hiring Hall Estimators as well.

The Company is proposing under Section 26.1 to relocate Mr. Grosskopf from Hiring Hall Estimator – Gas to Hiring Hall Estimator – Electric into Service Planning and Design located at the Ukiah office.

Mr. Grosskopf was initially dispatched as a Priority 4 – Hiring Hall Estimator – Gas into GDPM&E in June 2018, headquartered at the Santa Rosa office.

In accordance with ESC Letter Agreement R2-01-37 recognizing the change of commodities, Mr. Grosskopf, shall be considered as a Priority 4 effective the date of the Personnel Change Request (PCR) into the Hiring Hall Estimator – Electric.

If you agree, please so indicate in the space provided below and return one executed copy of this letter to the Company.

Very truly yours,

PACIFIC GAS AND ELECTRIC COMPANY
