Dear Mr. Harland:

The Company intends to offer voluntary severance packages to specifically identified employees. The parties agree that the company will offer the same voluntary severance package that is offered to non-represented employees to the identified represented employees, identified by the Company, from within the classifications and numbers of positions identified in the attached.

The Company agrees that for a period of two years from the signing of this agreement, in departments and classifications where voluntary severances are accepted, there will not be increases to the current level of outside contracting except in situations where peak loads require a temporary increase in the Company's forces with subsequent layoff of such additional forces as determined by the Company.

Very truly yours,

PACIFIC GAS AND ELECTRIC COMPANY

By:   
Matthew Levy  
Sr. Director

The Union is in agreement.
