Dear Mr. Harland:

The Company and the Union entered into multiple agreements regarding the implementation and utilization of the ARCOS automated call-out system for specific ESC represented classifications. One of the agreed upon ARCOS provisions is to reset all Emergency Overtime (EOT) lists to zero on July 1st of each year.

Effective January 1, 2023, the parties agree to reset all Emergency Overtime (EOT) lists to zero on January 1st of each year and that any reference to the July 1st date in previous agreements will be considered revised based on this letter agreement.

If you agree, please so indicate in the space provided below and return one executed copy of this letter agreement to the Company.

Very truly yours,

PACIFIC GAS AND ELECTRIC COMPANY
