

ARTICLE 54 Reassignments

- A. Consistent with applicable laws and regulations the Agency may reassign work.
- B. When making such reassignments, the Agency may give consideration to factors such as:
 - 1. Agency needs;
 - 2. Available positions; and
 - 3. Qualifications.
- C. When the Agency initiates a reassignment, it will provide an employee with advance notice as practicable.
- D. If a reassignment requires a change in duty station, the Agency will make a reasonable effort to provide the employee time to accomplish the change in duty station, as appropriate.
