## Design Contractor Planning (DCP) Nominees: Bargaining Committee

<b>Nominee</b>	Jesse Platas	<b>Job Title</b>	Planner, DCP Rialto
<b>Time at SCE</b>	10+ Years in Planning - Sr Planning Specialist in Rialto DCP & Planning Specialist at Redlands Local		
<b>Why I'm Running</b>	I'd be honored to represent us at the bargaining table to ensure all 1,100+ voices are heard. My experience on the Core Group Committee during both Organizing Campaigns (2019-2025) helped me connect with many of you and understand what matters most. I bring a strong knowledge of workplace policies, current represented Edison employee contracts, PG&E & ESC Local20 contract, and California labor laws, along with the courage and resilience to stand firm in negotiations. I'm deeply committed to securing the strongest possible first contract for all of us.		

<b>Nominee</b>	Mike Stewart	<b>Job Title</b>	Planner, DCP Rialto
<b>Time at SCE</b>	17 with company/ 11 in planning		
<b>Why I'm Running</b>	I want to make sure we set up the company for our future. With my expense with IT going thru the Riff with them, my experience with local and now with DCP.. I can be invaluable .		

<b>Nominee</b>	David Loftin	<b>Job Title</b>	Planner, Planning Advisor Valencia DCP
<b>Time at SCE</b>	20 years all in Planning		
<b>Why I'm Running</b>	I feel my experience in Planning would be very helpful in negotiating a fair contract, and facets/responsibilities within the contract.

## Design Contractor Planning (DCP) Nominees: Bargaining Committee

<b>Nominee</b>	Roberto Alcazar	<b>Job Title</b>	Planner, Pomona DCP
<b>Time at SCE</b>	5 years		
<b>Why I'm Running</b>	I want my colleagues to have real representation.		

<b>Nominee</b>	CECILIA CAMPOS	<b>Job Title</b>	Planner, POMONA TSD
<b>Time at SCE</b>	I have been with Southern California Edison since 1999, proudly serving for a total of 26 years. Over the course of my tenure, I've held a variety of roles within the Transmission & Distribution (T&D) organization, including Project Analyst, Designer I, and Designer II. Notably, I've spent 18 of those years as a Planner. My experience spans multiple work locations and disciplines, including Traditional Technical Planning (TP), Local Planning (LP), New Development Planning (NDP), and Design Contract Planning (DCP). This diverse background has equipped me with a broad and comprehensive understanding of SCE's planning and design operations.		
<b>Why I'm Running</b>	I'm committed to representing our members with integrity, transparency, and strength. With over two decades at SCE and deep experience across planning disciplines, I understand the challenges our workforce faces. I want to ensure our voices are heard and our priorities reflected in fair, forward-thinking agreements. I believe in collaboration, but I'm not afraid to stand firm when it counts. Serving on the Bargaining Committee is an opportunity to advocate for the respect, security, and working conditions we all deserve.

## Design Contractor Planning (DCP) Nominees: Contract Action Team

Nominee	Cindy Lee-Julien	Job Title	Planner, Fullerton DCP
Time at SCE	<p>Southern California Edison — 25 Years of Service</p> <p>Local Planner(P2) &amp; Contractor Tech Planner(P2/P3) (10 years): Led planning efforts and contractor coordination to ensure constructability and timely execution of major infrastructure projects.</p> <p>Distribution Engineer(E2/E3) (10 years): Designed and maintained distribution systems to enhance reliability and operational efficiency across service areas.</p> <p>Substation &amp; Automation Engineer (E2)(5 years): Developed automation protocols and implemented innovative technologies to improve grid management and performance.</p>		
Why I'm Running	<p>I bring exceptional communication and organizational skills that are instrumental in driving our contract to completion. Backed by a solid engineering/Technical foundation, I excel at problem-solving and thrive in presenting complex ideas with clarity and impact. As a persuasive public speaker and dedicated team member, I am confident in my ability to support our bargaining committee and help lead our contract across the finish line.</p>		

Nominee	Jessica Sánchez	Job Title	Designer, Fullerton DCP
Time at SCE	<p>I have been with Edison for nine years (including 2 years as a contingent worker). I began in Edison Learning as a training assistant and later moving onto auditing in our Corporate Expense dept. I was officially hired as new business analyst for Thousand Oaks local planning for two years. Promoted to designer at Valencia DCH. Was put on a Developmental opportunity as facilitator for the CSRP rollout, providing training for the new company wide customer service program. In 2023, I was promoted to Designer II at Fullerton DCP, where I currently work.</p>		
Why I'm Running	<p>With nine years at Edison, my experience uniquely positions me as an asset for the CAT role in union representation. My journey from contingent worker to Designer II demonstrates my adaptability and commitment. I've built strong relationships within the DCP community and successfully facilitated company-wide training programs like the CSRP. This background enables me to effectively communicate between management and employees, ensuring concerns are addressed and fostering collaboration during the transition.</p>

## Design Contractor Planning (DCP) Nominees: Contract Action Team

<b>Nominee</b>	Michael Evensen	<b>Job Title</b>	Planner, Rialto DCP
<b>Time at SCE</b>	Planning Advisor 5yrs with SCE. Started as P2		
<b>Why I'm Running</b>	I would like to serve on this role as I feel I have a much broader big picture vision of Contract Planning than most others. I have been in Planning for 17yrs starting in 2008 as a Field Tech for a contractor and have literally started from the bottom and got to the top with pure hard work. I want to make sure that the ESC contract represent all of my DCP Teammates well not only now but years to come.		

<b>Nominee</b>	Luis Estrada	<b>Job Title</b>	Planner, Rialto Transmission Substation
<b>Time at SCE</b>	I've been working at Rialto DCP since March 2018.		
<b>Why I'm Running</b>	I'm proud to offer my support as a member of the Contract Action Team (CAT) because I believe in the strength of collective action and the power of a united voice. This role is more than a responsibility—it's a commitment to standing up for our shared priorities and ensuring every member is heard throughout the bargaining process. I care deeply about fairness, transparency, and the future of our workplace. By supporting the Bargaining Committee and keeping colleagues informed and engaged, I'll help drive momentum toward a strong, equitable contract. Real change happens when we come together—and I'm ready to help lead that charge.

## Design Contractor Planning (DCP) Nominees: Interim Stewards

<b>Nominee</b>	ALAN DAVID STURGIS	<b>Job Title</b>	Planner, DCP / FULLERTON
<b>Time at SCE</b>	Started with SCE November 7, 2022 - Senior Tech Planner		
<b>Why I'm Running</b>	I will represent our colleagues with the upmost dignity and respect. As a union steward my goal is to help improve working conditions and boost morale so we can achieve the highest level of work life balance and thrive.		

<b>Nominee</b>	Kelly Barber	<b>Job Title</b>	Designer, DCP Pomona 1
<b>Time at SCE</b>	I have been with the company for a year and 9 months and holding the job title of designer 1 for the entirety.		
<b>Why I'm Running</b>	I want to serve to be able to provide information to my team and help them when they have questions. It seems my department only has bad ideas of the union and I want to help in anyway I can.		

<b>Nominee</b>	Jacob Gibson	<b>Job Title</b>	Planner, Rialto
<b>Time at SCE</b>	I've worked at Edison for 20 months as a P2 (Senior, Planning Specialist) for DCP. Prior to Edison, I spent 7 years working for one of the Design Contractors. As a contractor I worked many roles as a Planner, Designer, Manager, Field Tech and Structure Inventory Personal for both Edison and SDGE.		
<b>Why I'm Running</b>	My primary objective is to secure contract terms that are both safe and advantageous for myself and my colleagues, ensuring long-term benefits for our careers. This includes careful consideration of future implications and potential risks.
